This handbook sets forth general guidance for parents and scholars enrolled in Ethos Classical. Ethos Classical is a public school of choice that operates under the terms of a charter, or contract, with its authorizer, the State Charter Schools Commission of Georgia. The charter school guidelines for Ethos and the Family Handbook are available for all stakeholders on our website: www.ethosclassical.org.

The Family Handbook may be amended at any time. Parents will be notified of changes by email. It is the responsibility of the Ethos community to maintain correct and updated contact information to be apprised of changes.

WELCOME AND SCHOOL OVERVIEW

MISSION

Through a rigorous classical curriculum and within a structured, supportive community, Ethos Classical Charter School ensures every K-5 scholar is on the path to college and a life of opportunity.

Greetings,

Ethos Classical is more than an elementary school. It is a mission. We are making history and providing a rock-solid foundation for every scholar's academic success and personal excellence in high school, college, and life. We fulfill this commitment every day by remaining focused on the needs of our scholars, the work that must be done, and the community that supports our efforts.

In order to achieve our mission, we maintain the highest expectations. We expect a great deal from our scholars, our parents, and our staff. An extraordinary education requires nothing less than the full commitment and dedication of every stakeholder involved. It is only by expecting more that we can achieve more. Our expectations allow us to challenge our scholars, to push our teachers, and to involve our families.

This handbook serves as your guide in equipping your scholar for success at Ethos Classical. Please read this handbook thoroughly and don't hesitate to reach out with questions or for clarification.

SCHOOL PHILOSOPHY

The education philosophy of Ethos Classical is based on two core ideas: an achievement-oriented culture that leads to personal excellence and a classical curriculum that guarantees future academic success. Both of these are grounded in the absolute belief that all scholars have the right to an extraordinary, college-preparatory education starting in kindergarten.

PERSONAL EXCELLENCE: CREATING AN ACHIEVEMENT-ORIENTED CULTURE

Educating scholars toward personal excellence is crucial to Ethos Classical's mission. Schools that produce exceptional results from their scholars attribute a large part of that success to a school culture that emphasizes achievement. We believe the recipe for an outstanding culture includes:

- High expectations for every child from every adult
- Partnership and frequent communication between teachers and families
- Structured classrooms that include clear, consistent rules
- Joyful and creative teaching with cheers, chants, music, art, and play embedded in content

ACADEMIC SUCCESS: A CLASSICAL CURRICULUM

Ethos Classical develops and promotes both high expectations as well as a developmentally appropriate curriculum that scholars master. Scholars of all abilities learn more in difficult courses than in low-level courses and are more likely to master difficult material if adequate support is provided at the instructional level. We strive to always challenge scholars with a curriculum that supports them to achieve their personal best. We provide a classical curriculum with the following components:

- Focus on literacy
- Meaningful arts enrichment
- Tailored learning supports for scholars and families
- Accountability for measurable results
- Strategic hiring and staff development

CORE VALUES

Ethos Classical is characterized by a desire to put BOTH academics and character first. We strive to build a strong community within the school and work to actively engage our scholars in their learning. We believe that the more scholars are invested in school, the less opportunity there will be for disruption. As a result, we operate with four character values for our entire school community: Tenacity, Respect, Urgency, Eagerness.

RIGHT TO KNOW

In compliance with the requirements of the Every Student Succeeds Act, parents may request the following information:

1) Whether the scholar's teacher –

- a. Has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction
- b. Is teaching under emergency or other provisional status through which State qualifications or licensing criteria have been waived; and
- c. Is teaching in the field of discipline of the certification of the teacher.

2) Whether the child is provided services by paraprofessionals and, if so, their qualifications.

Please know that our staff is committed to helping your child reach his or her highest academic potential throughout their school career. That commitment includes making sure that all of our teachers and paraprofessionals are highly skilled and are providing quality instruction to your child.

If you wish to request information concerning your child's teachers' qualifications, please contact Mrs. Fernandez, Manager of Operations, at rachel.fernandez@ethosclassical.org.

INSTRUCTIONAL MODEL

Ethos Classical provides a structured learning environment that measures scholar mastery and growth through a number of assessment tools. Scholar engagement is also evaluated

Last amended 06/23/2023

using our lifework system and scholar participation. During core learning blocks, scholars receive direct instruction in small groups. They rotate through two stations of work cycles to practice and reinforce skills they've learned directly from their teacher. Core learning blocks include guided reading and mathematics. Scholars receive one on one feedback on their writing as well.

ASSESSMENTS

Assessments are a necessary tool by which we can identify scholars' strengths and weaknesses in order to better individualize their educational plan and supports and they are used to inform classroom instruction. These tools also assist us in determining a scholar's level of academic mastery and may play a significant role in grade level placement decisions. In addition to the traditional classroom assessment measures, we will use several other assessment tools to evaluate the progress of our elementary scholars:

Reading benchmarks: To demonstrate scholars' progress in reading, scholars will be given reading proficiency tests, such as the STEP assessment. The STEP assessment is a one-on-one reading assessment that gives teachers and parents important information regarding reading fluency and phonics development. The results will determine the scholar's current reading level that will be noted on report cards.

Interim assessments: Ethos Classical will administer interim assessments to demonstrate regular scholar progress and to address scholars' ongoing academic needs. These interim assessments will be given in the core areas of Language Arts and Mathematics.

Watch Me Grow Prompts: Scholar writing is monitored beginning in Kindergarten using a rubric to measure thought and ability to accurately convey opinions, facts, and stories.

Externally-created exams: Ethos Classical scholars are held to the same standards as other scholars in Georgia. Scholars will take the state assessments in grades 3-5 in math, reading, and writing in order to demonstrate grade-level proficiency. In grades K-2, scholars will take the NWEA MAP – a nationally standardized assessment- in reading and math.

Testing for the Georgia Milestones Assessment System (End-of-Grade and End-of-Course exams) and ACCESS for ELLs are mandatory for applicable scholars. They must be taken in person at the assigned location and time and on the assigned date.

Last amended 06/23/2023

NWEA MAP tests (3 x year) and final exams (2 x year per course/subject at the end of each semester) are taken online and at a specific time. These assessments are mandatory.

The Georgia Kindergarten Inventory of Developing Skills (GKIDS) is a mandatory summative assessment that takes place over the course of a school year.

Gifted Testing is by invitation only and will be given in person. The testing is optional, but a 'Gifted' designation may be required to participate in specific programs and/or activities and cannot be acquired without participation in Gifted Testing.

DYSLEXIA SCREENING AND OTHER ASSESSMENTS

There may be additional required tests/assessments/diagnostics/exams depending on the grade level, course, and/or a scholar's special circumstances. A scholar's special circumstances may include but are not limited to those that may be required for RTI/MTSS monitoring, to participate in the Advanced & Gifted Program, and/or as may be required per a scholar's IEP.

GEORGIA MILESTONES ASSESSMENT SYSTEM (GMAS)

All Ethos Classical 3rd grade through 5th grade scholars are required to attend various state-mandated summative assessments each year. Opt-outs are not permitted. Students who have an approved, excused absence will be required to make-up missed tests on an alternate day during the approved testing window or re-test during the summer if that is an option. Students may be withdrawn for truancy for not attending state mandated tests. Students may be retained for failing to take state mandated tests. NOTE: If a family has scholars in multiple grade bands, then it is possible that the family may have scholars assigned to BOTH the morning and the afternoon testing windows during the Milestones Assessment period, thus occupying most of that family's day.

Students in Grades 3-5 take an End-Of-Grade (EOG) Assessment in English/ Language Arts and Mathematics, while scholars in Grades 5 are also assessed in Science.

Students in Grades 3-5 are required to receive a reading determination of Grade Level or Above on the Georgia Milestones End-of-Grade Assessment in reading and to attain an achievement level of "Developing Learner", "Proficient Learner", or "Distinguished Learner" on the mathematics and ELA sections of the Georgia Milestones End-of-Grade Assessment to be promoted to the next grade level.

Last amended 06/23/2023

For grades 3 and 5, if a scholar takes the Georgia Milestones End-of-Grade Assessment and does not score proficient or distinguished in reading, mathematics, and/or ELA, we offer help for the scholar to reinforce academic skills needing additional attention and an opportunity to take the Georgia Milestones End-of-Grade Assessment again. A scholar who does not score at grade level on this second administration of the Georgia Milestones End-of-Grade Assessment or who does not take the second administration of the Georgia Milestones End-of-Grade Assessment may be retained.

Note: The Georgia Department of Education (GaDOE) does not offer Science EOG summer retest opportunities. The GaDOE does not offer 4th grade the opportunity to retake EOGs during the summer. The GaDOE does not offer 3rd graders the opportunity to retake the math EOG during the summer. *GaDOE makes the decision which retests are offered. Georgia Cyber Academy has no say in the matter.*

TRANSPORTATION ISSUES ARE NOT CONSIDERED A VALID EXCUSE TO MISS MILESTONES TESTING. If a scholar encounters transportation issues on any given day of Milestones EOC/EOG testing, then make-ups will be arranged provided that the state testing window has not closed, or the scholar can be moved to an alternate testing site that is located on a public transportation line.

OTHER ASSESSMENTS

In addition to the Georgia Milestones EOG and EOC tests, the following assessments may also be administered at the sole discretion of school administration and/or may be mandatory depending on program/service/assessment requirements:

- Georgia Alternative Assessment
- ACCESS for ELLs 2.0
- WIDA Screener
- Gifted Testing
- I-Ready Diagnostic
- Special Education evaluations
- Accuplacer
- ASVAB
- DIBELS (Grades K-5) – rarely applicable
- NWEA Reading Fluency – rarely applicable
- NWEA Growth Assessments – rarely applicable
- Interim Assessments – rarely applicable
- Final Exams – rarely applicable
- End of Pathway Assessments

INTERVENTION

Last amended 06/23/2023

Ethos Classical recognizes that all scholars will learn and grow in different ways and at different speeds. As such, some scholars may require additional support in the curriculum. Scholars may require support because of language, special needs, or trouble with a specific concept. Ethos Classical will take clear steps to provide scholars and families with the support they need. This may include individual attention in the classroom, small group instruction, or individual support outside of the classroom. If additional time after school is required, parents/guardians will be notified in advance.

LIFEWORK

Lifework (homework) is an essential component of Ethos Classical's educational program. The work we send home is designed to reinforce the knowledge and skills that were taught in class, help scholars develop a deeper understanding of academic concepts, and promote the habits that we recognize will be important in college, career, and life. Because we know how important it is to teach these values to scholars, Lifework will be assigned every night at Ethos Classical. It is critical that families review their child's Lifework and monitor its completion every night. For K-2, Lifework requires 15-25 minutes of work each night. For 3-5, Lifework requires 25-40 minutes of work each night.

Lifework includes two components: Math Practice and Reading Practice. Scholars are expected to complete this each night. If the materials are missing or incomplete, scholars will complete the assigned work during recess or choice time. Independent reading is tracked through the ReaderZone app. Families can also write the title and author of read books for the teacher to manually input.

Ethos Classical families who have not completed their scholar's Lifework or logged Independent Reading books will receive a note home in the child's Lifework folder. Lifework is considered complete only when all assignments have been done and books have been logged.

PLEASE NOTE: Lifework is a critical part of your child's education. It develops their organizational skills, reviews important instructional material, and allows families to recognize where scholars need help. This work is what truly helps support scholars to be successful and prepared for college and we take it seriously. While in the early grades you might find the content to contain review material, the reinforcement builds lifelong habits that will benefit children for years to come.

HABITS OF PRODUCTIVE LIFEWORK COMPLETION

Teachers will

- Create meaningful assignments
- Be certain that every assignment is understood
- Relate the assignment to what was learned in class
- Use Lifework as a way to check for understanding of the skill and content

Scholars will

- Show their Lifework folder to their families each day
- Be responsible for completing assignments on time, accurately, and neatly

Last amended 06/23/2023

- Complete all missed assignments due to absences
- Read every day
- Always try their hardest

Parent/guardian(s) will:

- Provide time and a quiet place for scholars to complete Lifework
- Help the scholar develop responsibility by completing all of their assignments
- Be aware of all assignments and review the child's work
- Make sure that every assignment is completed to Ethos Classical standards
- Talk to their child about what he or she learned at school and encourage their child to
- Develop a positive attitude about learning
- Read to or with their child every night for 15 minutes

OBJECTIONABLE CONTENT

There may be times when a parent finds certain lessons, books, or materials objectionable for various reasons. If a parent finds objectionable material, he or she should contact his or her lead teacher via email. Teachers will work with the parents to find alternative lessons to meet the lesson objectives. An assessment for the alternate lesson must be completed to ensure that the concepts/skills of the lesson have been mastered.

GRADING

Our mission is to provide an exemplary individualized and engaging educational experience for all scholars by incorporating school, family and community partnerships, coupled with rigorous curriculum within a data-driven and scholar-centered instructional model. Student success will be measured by valid and reliable assessment data and continued institutional growth within the academic community. In the spirit of the scholar success measurement component, the following guidelines outline our mastery-based grading principles and expectations.

GRADING SCALES Kindergarten through 2nd Grade: All academic subjects in Kindergarten through 2nd grade are assessed based on scholar progress and mastery of the standards. Students receive a number for engagement in each course, completion of required assessments, and mastery of each standard.

The following grading scale applies and reflects scholar mastery of each standard:

Last amended 06/23/2023

- 4 - Distinguished (only applicable to specific standards)
- 3 - Proficient (expected level of mastery)
- 2 - Developing
- 1 - Beginning

Grades at or above seventy percent (70%) are considered passing.

GRADE APPEALS

Course Grade appeals must be submitted in writing to the school principal within thirty (30) days of the term end date. Upon receipt of the appeal, the school principal will lead a review internally among faculty, staff and administration.

A grade appeal may only be disputed for the following reasons:

- The grade was issued in error. This includes situations where there was a miscalculation of grade points that resulted in a lower grade for the appeal. The scholar must clearly demonstrate the miscalculation. It also includes situations such as missing records, mistaken grade entries, etc.
- The scholar's documentation that he or she previously received a higher grade on a similar assignment at the same level of competency.
- At least ten (10) business days are required for the principal and his/ her team to review a grade appeal request and issue an official decision. Appeal requests are permitted once per scholar, per quarter and all decisions are considered final.

REPORT CARDS

Teachers and staff utilize report cards each quarter to formally communicate a scholar's academic and behavioral performance. Grades do reflect engagement but are focused on a scholar's level of mastery of the material. Report cards will be based on standards and reflect the learning of the scholar. We will work with families to schedule a 20-minute time slot for their conference. Please note that scholars do not report to school on these days but are encouraged to attend conferences, especially in grades 3-5.

PROMOTION POLICY

The Head of School is authorized to make initial grade placement of a scholar and to promote, accelerate or retain scholars after initial grade placement. After initial grade placement, a scholar is expected to progress through the grades one year in each grade receiving the benefits of academic, social and physical growth usually accompanied with a full year of development.

On occasion, it may be in the best interest of the scholar to have a new grade placement, be accelerated more than one grade, or be retained in the current grade. In this event, supporting documentation with interventions already offered to the scholar will be provided by the school. If a scholar's parent/guardian or teacher believes one of these grade changes should be considered, a written request for consideration should be provided to the Head of School, including the reasons for such consideration, via email. The final decision regarding placement, acceleration, promotion, or retention of a scholar rests solely with the Head of School.

The Head of School shall consider the following non-exhaustive list of factors when making such decisions:

1. The education record of the scholar, including but not limited to a scholar's grades, standardized test scores, reading, speaking and math skills, the curriculum of each grade, the available teacher(s) skill(s) delivering the instruction, and available programs.
2. Attendance
3. Discipline
4. The physical, social and emotional readiness of the scholar for the curriculum of each grade.
5. The current research on grade placement, promotion, acceleration and retention.
6. The recommendation of the scholar's parent/guardian and teachers.
7. The Promotion Requirements described below.
8. The applicable laws governing these decisions.

RETENTION

If a scholar is retained, written documentation of evidence supporting the decision will be on file in the scholar's permanent record. The scholar's parent(s)/guardian(s) shall be notified of the retention decision within 10 days after the decision has been made.

Last amended 06/23/2023

Students who spend more than one year in any grade will be provided accelerated instruction, additional instruction, or differentiated instruction.

RETENTION CRITERIA

APPEALS OF PLACEMENT, PROMOTION AND RETENTION DECISIONS GRADES KINDERGARTEN THROUGH GRADE 5

In the event a parent of a scholar in Kindergarten through Grade 5 disagrees with a placement, promotion or retention decision by the Head of School (the "Placement Decision") and wishes to appeal such decision, the parent must notify the principal in writing of their appeal of the Placement Decision within 10 days of receiving written notice of the Placement Decision or all rights of appeal of the Placement Decision shall be waived and the Placement Decision shall be final.

Last amended 06/23/2023

In the event a timely appeal of a Placement Decision is made by a parent of a scholar, a Placement Review Team consisting of the parent(s) of the scholar, the school counselor and the school principal or designee shall be convened to reconsider the Placement Decision of the scholar. The Placement Review Team shall consider all the retention, placement and promotion criteria as set forth in this policy and such other relevant information as the parents and other members of the Placement Review Team wish to share with the Placement Review Team. The initial Placement Decision (regardless of whether the initial decision was a decision of placement, retention or promotion) shall not be changed by the Placement Review Team unless the Placement Review Team unanimously agrees to the change in placement, retention or promotion of the scholar. The decision of the Placement Review Team shall be given to the parents in writing within 10 days of the date of the decision of the Placement Review Team.

In the event any member of the Placement Review Team disagrees with the decision of the Placement Review Team and wishes to appeal such decision, the person desiring to appeal the decision of the Placement Review Team must notify the Head of School in writing of their appeal of the decision of the Placement Review Team within 10 days of receiving written notice of the decision of the Placement Review Team or all rights of appeal of the decision of the Placement Review Team shall be waived and the decision of the Placement Review Team shall be final. The person submitting the appeal must submit a statement of all reasons and supporting documentation as to why they disagree with the decision of the Placement Review Team at the time of submitting their appeal of the decision of the Placement Review Team. The Head of School (or designee appointed by the Head of School) shall review the written documentation that is timely submitted by the person making the appeal along with records of the District relating to the decision of placement, promotion or retention without the requirement of any additional hearing or meeting. The Head of School (or designee) shall issue a written decision either affirming or modifying the placement, promotion or retention based upon their review of the record. The decision of the Head of School (or designee) shall be final.

WITHDRAWALS

Parents with scholars in need of withdrawing from the school must contact the Enrollment Team in writing via e-mail to enroll@ethosclassical.org and complete an Intent to Withdraw form. Ethos will arrange pick up of documents.

IMPORTANT: By law, if a scholar withdraws or is withdrawn and no proof of transfer to another districted school, charter school, private school, or homeschool declaration is received by the records department within forty-five (45) days of withdrawal, then the scholar will be referred to DFCS (Department of Family and Children's Services). Proof of registration at another

Last amended 06/23/2023

school or a homeschool declaration must be sent to enroll@ethosclassical.org prior to forty-five (45) days to avoid referral to DFCS.

SCHOLAR ORIENTATION

To support each scholar in being successful at Ethos Classical, each scholar participates in Scholar Orientation at the start of each year. This allows for scholars to meet their teachers, get to know their classmates and practice key routines and procedures. Scholar Orientation is two days in August and allows for each grade level to spend time with their instructional team for a shortened day as they transition back from the summer. New Families are prepared for Scholar Orientation by attending New Family Orientation in May and Open House in August.

SCHOLAR SUPPLIES

The easiest way to manage supplies in primary classrooms without disrupting classroom time or having unprepared scholars is to have shared supplies within the classroom. Ethos Classical aims to provide scholars with their own supplies and we do not ask families to purchase materials besides the scholar's headphones and math fluency cards beginning in first grade. The purchase of all other supplies used during the school day are covered through the scholar fee.

LOST AND FOUND

To prevent confusion, parents should write their scholar's name in permanent marker on the tags of all clothing. Since every scholar wears the same clothing, mark your tags clearly and help your scholar keep track of all jackets, sweaters and coats. All clothing items that are left in common spaces (playground, hallways etc.) will be put in the school's Lost and Found bin for families to retrieve. Each classroom will also have a Lost & Found for items with no scholar names. Note that we empty the Lost and Found bin every month and donate all items.

EXTRA CLOTHING: All kindergarten scholars must bring an extra set of uniform clothes in the event of a bathroom accident or spill. Families should bring an extra set of uniform clothes (pants, underwear, and polo) in a clear, Ziploc plastic bag with the scholar's name written clearly in permanent marker. Scholars' extra sets of uniform clothing will be stored in the scholar's cubby at school. Families should include a logoed Ethos Classical top, solid white crewneck undershirt, socks, underwear and navy bottoms. When scholars have accidents or spills and use their extra set of uniform clothing, parents/guardians should send another clean set of clothing the following school day. Scholars without a change of clothes will need to have a parent/guardian drop off items or pick up the scholar for the remainder of the day depending on the severity of the accident/spill.

SPECIAL PROGRAMS & INSTRUCTIONAL SUPPORT SERVICES

SPECIAL EDUCATION SERVICES

The 1997 amendments to the Individuals with Disabilities Education Act (IDEA) and the more recent 2004 Individuals with Disabilities Education Improvement Act (IDEIA) have mandated that every school district in the country develop a system to identify children with disabilities, from birth through age 21, who live within the district.

Ethos Classical will make a concerted effort to identify, locate and evaluate children who have a suspected or confirmed disability, in accordance with all federal regulations and state standards as required by Child Find. In addition, it shall be the policy of Ethos Classical that the child with a disability and his or her parents/ guardians shall be provided with a free and appropriate public education (FAPE) in conjunction with procedural safeguards, as required by law, throughout the identification, evaluation and placement process.

Students with disabilities can be found eligible for Special Education based on the following eligibility categories:

- Autism
- Deafblind
- Deaf/Hard of Hearing
- Emotional & Behavioral Disorder
- Intellectual Disabilities
- Orthopedic Impairment
- Other Health Impairment
- Significant Developmental Delay
- Specific Learning Disability
- Speech-Language Impairment
- Traumatic Brain Injury
- Visual Impairment & Blindness

Students with disabilities who qualify for Special Education Services can receive a free appropriate education (FAPE) based on the scholar's Individualized Education Program (IEP). Ethos Classical delivers special education programming and related services in the least restrictive environment, as determined by the scholar's IEP team. Related Services, such as Speech Therapy, are determined through review of various data sources to include evaluations and progress monitoring data. Instruction and services delivered are provided at no cost to the parent, guardian or scholar. Students can be served using regular education, additional supportive services, consultative, co-teaching, collaborative, and/or small group settings.

Last amended 06/23/2023

Progress monitoring of IEP goals is accomplished through a variety of data collection methods using a variety of instructional programs, as well as individualized assessments designed by special education and general education teachers. IEP mandated, specialized instructional services are provided and progress data is collected.

All members of the Ethos Classical school community believe that varied instructional practices and learning environments benefit all children. In sum, Ethos Classical is committed to the full implementation of IDEA. When scholars served through the Department of Special Education are provided with the appropriate supports, as outlined in their IEP and through the collaborative efforts of parents, scholars, teachers, therapists, and other faculty/ staff (as appropriate), we believe they will achieve.

Any additional information regarding Parent Rights, Special Education Records, and services offered should be directed to Kierra Gambrell kierra.gambrell@ethosclassical.org.

ADVANCED AND GIFTED PROGRAM

The Advanced and Gifted Program (A&G) is a supplemental program designed to meet the needs of our advanced learners in a variety of ways including enriched sessions, curriculum compacting, topic enrichment and extension and/or accelerated course planning and placement; along with other activities which incorporate academics, multiple intelligences, and social interaction.

General Advanced & Gifted program qualifications are set forth by Georgia Department of Education (GaDOE) guidelines and implemented in accordance with specific Ethos Classical program criteria. These requirements are subject to change year to year; therefore, scholars may need to re-qualify annually to remain in the A&G program.

Participants in the Advanced & Gifted program are expected to maintain exemplary progress and achievement. If you feel your scholar qualifies for the program, please contact Kierra Gambrell kierra.gambrell@ethosclassical.org for additional information.

SECTION 504 PLANS

Under Section 504 of the Federal Rehabilitation Act of 1973 and the Americans with Disabilities Act, some school-age children with disabilities who do not meet the eligibility criteria for Special Education services may be eligible for special protections and for adaptations and accommodations in instruction, facilities, and activities.

Children are entitled to such protections, adaptations, and accommodations when they have a documented disability that:

(1) has a physical or mental impairment that substantially limits a major life activity; (2) has a record of such an impairment; or

(3) is regarded as having such an impairment. The determination of whether a scholar has a physical or mental impairment that substantially limits a major life activity (and therefore has a disability) must be made on a case-by-case basis and is subject to review by the school 504 team. After all documentation of the disability and its academic impact for the scholar is collected, an eligibility meeting will be held with the teacher(s), parent/legal guardian, 504 coordinator, and administrator to determine plan eligibility and appropriate accommodations.

RESPONSE TO INTERVENTION (RTI)/MULTI-TIERED SUPPORT SYSTEM (MTSS)

Ethos Classical supports the academic achievement of all scholars, particularly those most at-risk. The Response to Intervention (RTI)/Multi-tiered Support System (MTSS) team composed of parents, teachers, administrators, trained professionals and the scholar (as appropriate), uses a tiered model incorporating problem-solving methods and research

Last amended 06/23/2023

based interventions to identify and serve scholars having academic, behavioral or emotional difficulties. The goal of the RTI/MTSS process is for the teacher and/or parent to work together so the scholar may achieve a satisfactory rate of progress in the regular educational setting, preventing the need for more intensive services at a later period. In accordance with the Georgia Department of Education, all scholars at Ethos Classical participate in the RTI/MTSS process, which is embedded in the school's instructional model. This model includes standards-based curriculum, direct instruction from certified teachers, other supplemental programs, as well as all state mandated assessments. As a scholar identified as needing Tier 2 or Tier 3 supports, they would receive supplemental help from their teacher, such as small group or individual sessions and/ or other research-based interventions and may move up the tiered process for additional support. The teacher, intervention specialist, and the parent form a partnership to determine which additional interventions are required to further support the scholar's learning needs. In addition, older scholars (Grades 4 and up) are encouraged to participate in this decision-making process.

The teacher and learning coach/ parent carefully follow and document the scholar's response to those interventions over a course of six to twelve weeks. During this period, data is collected and reviewed to determine whether the recommended interventions are effective. Once the data has been collected and reviewed, the Student Support Team (SST), made up of the classroom teacher, parent, and other intervention specialists, reviews the scholar's progress, assignments, assessment scores, educational and family learning history, medical history and the results of the interventional strategies previously attempted with the scholar. If the interventions have shown little to no effect on scholar progress, the SST may recommend a referral for further academic or behavioral screenings, a comprehensive diagnostic evaluation and/or a referral to participate in other supplemental programs designed for more intensive scholar support. Since Rti/MTSS is a process, not a program, scholars may move up and down through the tiers throughout their academic career. The goal of Rti/MTSS is a proactive one, to provide scholars with the tools necessary to achieve academic success.

Note: Regardless of whether a scholar is struggling or typically does well academically, there may be times that extra support is required to master a skill or concept.

SUICIDE AWARENESS AND MENTAL HEALTH SUPPORT

Ethos Classical is committed to partnering with parents to support the healthy mental, emotional, and behavioral development of its scholars. Information will be provided to scholars about suicide prevention and positive attitudes about mental health. This will increase scholars' ability to recognize the warning signs of suicide and how to seek help for the individual.

Last amended 06/23/2023

Many of the indicators of abuse are common to multiple categories of abuse. Indicators like running away, school problems, aggression, depression, anxiety, withdrawal, excessive worries, substance abuse, self-injury, and suicidal thoughts or actions could be a response to any type of abuse.

Deciding why a child needs help is less important than acting on your concern that a child is in harm's way. If the child you are concerned about has attempted suicide in the past or your concern is about the danger that the child represents to him or herself, you may want to contact the Suicide Prevention Lifeline 1-800- 273-TALK (8255) to learn more.

Some of the warning signs that someone is at high risk include:

- Shows extremes in behavior, such as overly compliant or demanding behavior, extreme passivity, or aggression
- Inappropriately adult (parenting other children, for example) or inappropriately infantile (frequently rocking or head-banging, for example)
- Is delayed in physical or emotional development
- Has attempted suicide
- Reports a lack of attachment to the parent
- Looking for a way to kill oneself, such as searching online or buying a gun
- Talking about feeling hopeless or having a reason to live
- Talking about feeling trapped or in unbearable pain
- Talking about being a burden to others
- Increasing the use of alcohol or drugs
- Acting anxious or agitated; behaving recklessly
- Sleeping too little or too much
- Withdrawing or feeling isolated
- Showing rage or talking about seeking revenge
- Displaying extreme mood swings
- Talking about wanting to die or kill oneself

If you are concerned about your child or you are having thoughts of suicide, please access or contact the school counselor or social worker for more information related to suicide prevention services available in your area. For access to services and immediate crisis help, call the Georgia Crisis & Access Line (GCAL) at 1-800- 715-4225, available 24/7. You may also contact the National Suicide Prevention Lifeline at 1-800-273-8255.

MONIQUE BURR CHILD SAFETY MATTERS PROGRAM

In accordance with Senate Bill 401, which requires all public schools to implement age-appropriate sexual abuse and assault awareness and prevention education for scholars in grades K-5, Ethos Classical uses the Monique Burr Child Safety Matters program from the Monique Burr Foundation for Children. The goal of the Program is to help keep our scholars safe. The Program empowers children to spot and respond to bullying, cyberbullying, child abuse, and digital dangers. Most importantly, it teaches that adults are responsible for children's safety. The Program is based on the latest research. It has been reviewed and endorsed by national experts.

Why does your child need a safety program?

- 10% of children are abused before their 18th birthday
- 14% of children have been solicited online
- 28% of scholars have been bullied
- 90% of children between 8 and 16 years have viewed explicit material online

The School Counselor facilitates the lessons with scholars during the Spring semester. Families are provided information before the program starts and parents have an opportunity to opt their scholars out of the program. You can download the "Child Safety Matters" app at no cost from the App Store or Google Play.

SCHOOL REWARD OPPORTUNITIES

Scholars who choose to follow expectations outlined in our Code of Conduct choose academic success, privileges and rewards. Ethos Classical fully understands and believes that scholars respond best to positive reinforcement and our school strives to reward scholars when they do the right thing.

DAILY T.R.U.E. BLUE VALUES REPORT

The T.R.U.E. BLUE VALUES Report is a daily behavior log that summarizes the scholar's behavior each day across all settings and teachers and serves as a means of communication between home and school. Classroom teachers will use the T.R.U.E. BLUE VALUES Report in addition to Kickboard to indicate to parents which color(K-2nd) or point total (3rd-5th) their child earned on a daily basis.

The T.R.U.E. BLUE VALUES Report is inserted in the back pocket of the scholar's Lifework folder. Families must sign the T.R.U.E. BLUE VALUES Report every night and return it to school the following day. If a T.R.U.E. BLUE VALUES Report is not signed, then a scholar's Lifework is considered incomplete.

OTHER REWARDS

SCHOLAR OF THE WEEK

Scholars who demonstrate the T.R.U.E BLUE Values have the opportunity to earn scholar of the week. This privilege comes with school wide recognition and the opportunity to wear a special uniform item ---the scholar of the week blazer.

CLASSROOM JOBS

Assigning classroom jobs helps ensure a clean school. Having a classroom job is a privilege and recognizes scholars who meet or exceed expectations. Classroom jobs include but are not limited to: sharpening pencils, putting away materials, cleaning off desks, distributing papers, distributing snacks and/or lunches. Scholars are selected for jobs on a rotating basis at the classroom teacher's discretion. Some jobs may become positive rewards if they are in "high demand."

CLASSROOM REWARDS

Ethos Classical will extend a number of opportunities throughout the school year for entire classrooms to earn rewards. Classrooms with the highest participation at Parent Teacher Conferences and/or after-school events will earn rewards including, but not limited to: Pajama Day, Free Dress Day, Pizza and/or popsicle parties, etc.

FIELD TRIPS

Last amended 06/23/2023

Ethos Classical takes at least two (2) field trips per year. These field trips are a privilege and will be treated as such – scholars are not entitled to attend. At the discretion of the leadership team, scholars may not be permitted to attend the field trip. Ethos Classical staff takes pride in the meaningful partnerships that we create with families and welcome parents to volunteer as chaperones. Deadlines to volunteer as chaperones will be communicated in the weekly newsletter. Parents must sign up to chaperone field trips by the designated deadline.

COMMUNICATION AND FAMILY PARTICIPATION

PHONE USE

Although Ethos Classical aims to have as much communication as possible with its families, it would take an incredible amount of staffing and resources to provide message services, and we cannot guarantee that messages will actually reach scholars or teachers during the instructional day. Teachers will receive messages after 3:45 p.m. Scholars may not receive incoming phone calls during the school day unless it is an emergency that requires immediate attention. If it is an emergency, please call the front office number and leave a message. Scholars are prohibited from using school telephones unless approved by a staff member.

TEACHER CONTACT

Parents are encouraged to communicate with their child's teacher. Teachers will make themselves available as reasonably practicable for phone calls before and after school. Messages may be left for teachers with the Front Office. When leaving a voicemail message, please leave your name and your child's name, a phone number and time you may be reached, and a brief message regarding the reason for the call. Teachers will attempt to return a parent's call within 48 hours of receiving the message, though this will not always be possible. *Please remember that messages will not be received until after the instructional day ends.*

Teachers are also available through their Ethos Classical email address. Parents should contact their child's teacher directly with questions about academic progress, including Lifework, as well as behavior (including T.R.U.E. Reports).

Parents can contact the front office directly for any of the following issues:

- Information about your scholar's records (ex. updating contact information, etc.)
- Visits or volunteering
- Attendance issues
- Calendar and schedules
- Food concerns/needs

Teachers will list their contact information, including email addresses in the introductory letter to scholars' families during the first week of school, as well as on the cover page of the scholar's Lifework folder.

FAMILY ONBOARDING

Families are required to attend Family Onboarding each year. Families will receive a written communication via email, in addition to individualized and robo-calls with the exact times of

Last amended 06/23/2023

the onboarding calls. Families will be able to get their questions answered by the school's knowledgeable staff.

FAMILY NIGHTS, BREAKFASTS, AND WEEKEND EVENTS

Ethos Classical will offer morning/evening/weekend events throughout the school year. These events are not required; however, we encourage and welcome family participation. We will send exact dates and times for these events as the school year gets closer. These events might include:

- Coffee with a member of our leadership team
- Content Night and Scholastic Book Fair
- Black History Month Classroom Celebrations

MEETING WITH TEACHERS

If you would like to meet with your child's teacher outside of the regularly scheduled conferences at the end of each trimester, you must make an appointment. An appointment can be made by calling the school and speaking with or leaving a message for the teacher directly, as well as by emailing the teacher. Parents should not expect to meet with a teacher without a prior appointment. Because our teachers are teaching your child from 8:15 a.m. to 3:45 p.m., meetings should take place before or after school.

JOY FACTOR SCHOOL NEWSLETTER

Each month, the school's leadership sends home a newsletter to summarize content taught, to highlight upcoming school programs or closings, as well as to make parents aware of volunteer opportunities. The newsletter will be sent home via email and lifework folders.

VOLUNTEER ON CAMPUS

We encourage families to volunteer time on campus. To ensure that we make the best use of time and efforts - and that we limit disruption to our instructional program - all classroom volunteers must abide by the set of guidelines below.

1. *Complete Mandated Training.* O.C.G.A. § 19-7-5 requires all school personnel – including school volunteers – who have contact with scholars to receive training to assist in the identification of child abuse and neglect. In order to volunteer on campus, all volunteers must submit verification of completion of mandated reporter training. A free, online training can be completed [here](#). Further, any volunteer who will have access to scholars' education records will be required to complete training under the Family Educational Rights and Privacy Act ("FERPA").
2. *Schedule your volunteer time in advance.* School leaders and teachers are responsible for preparing and also delegating work to family volunteers. In order for

Last amended 06/23/2023

school staff to prepare for a volunteer's time and productivity on campus, all family volunteers must be scheduled in advance by signing up on ParentSquare. Please make sure to check in with the Front Office when you arrive for your scheduled volunteer time so that you can receive a visitor's pass. Visitors are expected to wear their visitor's pass throughout the entire duration of their visit to Ethos Classical. All visitors must be escorted during their visit unless they are volunteering after/before school.

3. *Refrain from talking to, engaging with or disciplining scholars – including your own – in classrooms, as well as talking to or engaging with school staff.* Scholars are expected to remain focused on their learning while in school. Families should not engage with scholars or instructional staff during instructional time by talking with them, observing their work, etc. We strive every minute of every day for 100% scholar and staff engagement in learning and ask that you respect our efforts by disrupting our natural school day as little as possible. Our staff has been extensively trained on specific teaching methods and behavior management techniques. Volunteers should allow the teacher to lead all aspects of the instructional program, and not discipline scholars, including their own.

JOY SQUAD

Joy Squad is a committed action-oriented group of families with a focus on strengthening the school program through school events, fundraisers, community outreach, and other initiatives. It is open to any parent, guardian or adult family member who wants to work collaboratively with other parents and school staff and make measurable additions to the school program.

While we encourage families to be as involved as possible, at a minimum, we expect the following from every family:

- Attend Family Onboarding to review school expectations, the Family Handbook, and double-check any logistical items
- Reinforce Ethos academic expectations at home
- Ensure your child is on time and in full uniform every day
- Read to and/or with your child for at least 15 - 20 minutes every day, including weekends
- Ensure your child completes the nightly Lifework, sign the T.R.U.E. Report and Lifework agenda, as well as return Independent Reading bags daily
- Attend all parent conferences with your child's teacher to discuss progress and pick up your child's report card

GENERAL POLICIES

ELECTRONIC DEVICES

Scholars are not permitted to have electronic devices in school. Electronic devices include but are not limited to games (Nintendo DS, etc.), tablets, CD-players, portable music devices (*iPods*), and cell phones. None of these devices are needed and often represent a distraction from successful academics and a serious atmosphere. In addition, these items can cause conflict and lead to grief when lost or stolen. While Ethos Classical obviously strives to prevent theft of any item, the school will not spend extra energy tracking down electronic devices that should not be at school. In the event that a scholar disobeys this rule and is seen with an electronic device or uses a prohibited electronic device in school, a staff member will confiscate it. It will be returned only after a parent/guardian has come to school to pick it up..

TOYS

Scholars are not permitted to bring toys to school, unless they are instructed to do so by their teacher. Teachers will correspond with parents via written communication at appropriate times when scholars are allowed to bring toys to school.

BIRTHDAYS

Scholars are permitted to bring store-bought treats to be shared with classmates when the teacher is notified at least 24 hours in advance. Families can notify the teacher by sending an email. We recommend families bring cupcakes or cookies that are already prepared in individual servings. Celebrations can include a treat, party favors, or special snack. Please ensure that all treats are nut free.

Parents are not required to send birthday treats to school. The Ethos Classical community will sing "Happy Birthday" regardless of whether families have sent anything to school. Birthday treats should be in individual servings and easy and quick to serve.

Large productions like pizza parties, for example, are not permitted for birthdays. We will celebrate birthdays in classrooms during snack or the last half of lunch. Please do NOT bring ice cream, as this is difficult to serve and clean. Individual goodie bags are permitted as long as every scholar in the scholar's class receives one. Invitations for individual birthday parties are not to be distributed at school unless there is an invitation included for every child in the scholar's class.

OTHER CELEBRATIONS

Last amended 06/23/2023

We know holidays can be exciting times of year for children. The many celebrations that take place at Ethos Classical center on school traditions, academics, or celebrate our scholars as individuals and a whole. These include things such as the 100th Day of School, Holidays Around the World, Black History month celebration, End of Year celebration and others.

GIFTS FOR SCHOOL STAFF

Ethos Classical truly appreciates the generosity of our school's families. We know that some families show their appreciation for the hard work of school staff by giving gifts. This is not required or expected but can be gifted directly to the teacher.

POLICIES AND PROCEDURES FOR REPORTING CHILD ABUSE AND NEGLECT

All Ethos' staff members receive training on child abuse and neglect annually. Identifying the early warning signs aids Ethos' staff members in responding promptly. If staff are concerned with possible child abuse, then they should report it to the Head of Schools or Director of Scholar and Family Supports. Ethos staff are trained in mandatory reporting.

MANDATED REPORTER POLICY

According to OCGA 19-7-5(c)(1), all school personnel and volunteers are mandated reporters of suspected abuse and/or neglect. Mandated reporters are required to report suspected child maltreatment immediately when they have reason to believe that harm has come to a child that "reasonably appears to have been caused by brutality, abuse or neglect." Under this law, failure to report such abuse is a Class A Misdemeanor. Once any staff member becomes aware that a scholar may be the victim of abuse or neglect, they must:

- Call the DCPS central intake hotline at 1-855-422-4453
- Notify the Head of School or Director of Scholar and Family Supports
- Complete an Ethos Classical incident report

When calling the hotline, the staff member must have the following information (or as much as is known): the name, birth date, and address of the alleged victim; the name, address, age or birth date, and relationship of the alleged perpetrator; what type of injury or harm was allegedly done to the victim; and a description of the incident (time/date, place in which it occurred, and indication of intention to harm). The staff member should also have the names and ages of other children in the household, information as to whether or not English is fluently spoken by the parents and the work phone number of the alleged perpetrator.

Mandatory reporting records are confidential under law. As such, neither the reporter nor any other Ethos Classical employee should communicate with the family of a child who is the subject of a report of suspected child abuse about the details of the report. Instead, if a family asks about a report, the employee should tell the child's family to contact DCPS to request information.

If the report of suspected child abuse involves a situation that the school is investigating independently, the Head of School can communicate with the family about the school's investigation

No one in the workplace, even a supervisor, is permitted to suppress, change, or edit a report of abuse. A mandated reporter who willfully fails to report suspected incidents of child abuse or neglect is subject to license suspension or revocation, and commits a misdemeanor. Falsely reporting information to the hotline is also a misdemeanor.

Identification: In collaboration with school personnel and community organizations, the school's homeless liaison (School Counselor) will identify children and youth experiencing homelessness within our school. The liaison will train school personnel on possible indicators of homelessness, sensitivity in identifying families and youth as experiencing homelessness, and procedures for forwarding information indicating homelessness to the liaison. The liaison will also instruct school registrars and secretaries to inquire about possible homelessness upon the enrollment and withdrawal of every scholar and to forward information indicating homelessness to the liaison. Community partners in identification may include: family and youth shelters, soup kitchens, motels, campgrounds, drop-in centers, welfare departments and other local social services agencies, faith based organizations, truancy and attendance officers, local homeless coalitions, and legal services.

Admission of Homeless Scholars: Scholars are immediately admitted to Ethos Classical even if the scholar is unable to produce records normally required for enrollment such as previous academic records, medical records, proof of residency or other documentation. Ethos Classical will make all efforts to update and keep these records current. Unaccompanied youth must also be immediately enrolled in school. They may either enroll themselves or be enrolled by a parent, non-parent caretaker, older sibling, or Ethos Classical's homeless liaison.

Education of Homeless Scholars: All scholars, including those scholars who are homeless or in transition have a full and equal opportunity at Ethos Classical. Parents and guardians of homeless scholars are informed of the educationally related opportunities available to their children and are provided with the opportunities to participate in the education of their children. Homeless families and scholars will receive educational services for which all scholars are eligible. Referrals to health care and immunization services, dental services, health services, and other appropriate services will be made available to all families and scholars.

Disputes and Resolution of Complaints: Any complaints will be submitted in writing to the Governing Board who will resolve the issue. The parent and the scholar will be given every opportunity to participate meaningfully in the resolution of the dispute. The district liaison will keep records of all disputes in order to determine whether particular issues are delaying or denying the enrollment of homeless children and youth repeatedly.

Program Procedures:

1. Ethos Classical is responsible for identifying a homeless liaison (School Counselor).
2. Homeless scholars will be identified based on the definition prescribed by McKinney-Vento Homeless Assistance Act and via a numeric code in the

Last amended 06/23/2023

school's scholar information system. All staff in the school will be trained in the identification and recruitment of homeless scholars.

3. The homeless liaison will provide annual training for all school staff having contact with homeless scholars.
4. School leadership will receive annual training on the identification and needs of homeless scholars.
5. The school will display flyers, brochures, and posters that identify the Homeless Liaison contact information.
6. Services for homeless scholars will be evaluated based on scholar academic achievement.

Enrollment/Withdrawal

Enrollment of Homeless scholars occurs at the appropriate grade level. The School Operations team is trained and attentive to the identification of homeless scholars during the enrollment process. Any identification of a homeless scholar/ family will be immediately identified to the Homeless Liaison for investigation. If Ethos Classical is contacted by another school for a homeless scholar's records, requested information will be provided and sent to the requesting school district within 10 days of receiving the request.

Program Training and Information Dissemination

The Homeless Liaison or designee annually conducts training and sensitivity/awareness activities each fall to heighten the awareness of the following personnel of the specific needs of unaccompanied and homeless youth: School Leadership, teachers, and support personnel. Homeless liaison will lead and coordinate the schools' compliance with this policy and will receive training annually. Meeting documentation includes the PowerPoint presentation, agenda, and sign-in sheets. The Homeless Liaison or designee distributes posters and brochures throughout the school and in the Family Resources center in the lobby. Posters and brochures are also distributed to the community throughout the year at various locations including but not limited to the following: Department of Family and Children Services, Community Centers, Local Churches, Health Department, Fire Department, Hospital, Soup Kitchen, Local Law Enforcement, Safe Haven, and Local Doctor Offices.

Transportation

Ethos Classical will put into place a transportation plan for any identified homeless scholars.

Academic Credit

A scholar's homeless status shall not be a barrier to receiving appropriate credit for full or partial coursework satisfactorily completed while attending a prior school.

Disputes (Complaint Procedures)

Last amended 06/23/2023

Any individual, organization, or agency (“complainant”) may file a complaint with Ethos Classical if that individual, organization, or agency believes and alleges that Ethos Classical is violating a federal statute or regulation that applies to a program under the Title I, Part A of the Every Student Succeeds Act (ESSA) of 2015. The complaint must allege a violation that occurred not more than one (1) year prior to the date the complaint is received, unless a longer period is reasonable because the violation is considered systemic or ongoing.

All complaints should be directed to the Head of School.

If Complainant disagrees with the Head of School or designee's determination, Complainant may, within 5 business days of receipt of the written findings, submit a request in writing to the Chair of the Board of Directors to review the Head of School's or designee's decision. The determinations shall be reviewed by the Board of Directors within ten (10) school days of receiving a written request for such review by the complainant provided; however, that confidential scholar or personnel information shall not be subject to review pursuant to this paragraph.
 - The decision of the Board of Directors shall be subject to review within in a reasonable length of time by the State Charter Schools Commission, whereupon the State Charter Schools Commission shall take appropriate remedial measures, including, but not limited to, revocation of a state charter school's charter; provided, however that confidential scholar or personnel information shall not be subject to review pursuant to this subparagraph.
8. Nothing in this policy shall be construed to prohibit any cause of action available at law or in equity to a complainant who is aggrieved by a decision of a local board of education, the governing body of a charter school, or the State Charter Schools Commission.

D. Records Request

Any individual described in this policy shall have the right at any time, including prior to filing a complaint, to request, in writing, from the Head of School nonconfidential records which he or she reasonably believes may substantiate a complaint under this policy. The Head of School shall produce such records for inspection within a reasonable amount of time not to exceed three business days of receipt of a request.

In those instances where some, but not all, of the records requested are available for inspection within three (3) business days, the Head of School shall make available within that period such records that are available for inspection.

Last amended 06/23/2023

In any instance where some or all of such records are unavailable within three (3) business days of receipt of the request, and such information exists, the Head of School shall, within such time period, provide the requester with a description of such records and a timeline for when the records will be available for inspection and shall provide the records or access thereto as soon as practicable but in no case later than 30 days after receipt of the request.

If the Head of School denies a parent's request for records or does not provide existing responsive records within 30 days, the parent may appeal such denial or failure to respond to the Board of Directors. The Board of Directors must place such appeal on the agenda for its next public meeting. If it is too late for such an appeal to appear on the next meeting's agenda, the appeal must be included on the agenda for the subsequent meeting.

Nothing in this subsection shall be construed to prohibit any cause of action available at law or in equity to a parent who is aggrieved by a decision of a local board of education or the governing body of a charter school made pursuant to this policy.

Parents' Bill of Rights Policy

teacher in which classroom the material is intended for use and/or who recommended the material. The teacher shall respond to the objection within five school days of its receipt, or as soon thereafter as is reasonably practicable.

If the parent/guardian is unsatisfied with the teacher's response, then within five school days of receiving the response, the parent/guardian shall submit a written objection to the Head of School. Such objection should include a description of the allegedly objectionable material, the course in which the material is intended or recommended to be used, why the parent/guardian believes the material is objectionable, and, where possible, should attach a copy of the objectionable material.

The Head of School will review the objection and within five school days of receiving the written objection, or as soon thereafter as is reasonably practicable, respond in writing to the parent/guardian to offer a resolution to the objection.

If the parent/guardian disagrees with the Head of School's proposed resolution, the parent/guardian may appeal to the Board of Directors. The Board of Directors or its designee will review the matter at its next regularly scheduled meeting or as soon thereafter as is reasonably practicable, and notify the parent/guardian, relevant teacher, and Principal of its decision on the matter in writing.

To the extent that any sex education is proposed as part of your child's course of study, you will be notified in advance by your child's teacher. SECTION 4. Right to Opt-Out of Photographs, Videos, and Voice Recordings of Your Child
Parents/guardians shall have the right to provide written notice that photographs, videos, or video recordings of their child(ren) are not permitted. SECTION 5. Review Procedures

If the Head of School denies a request for information or does not provide existing responsive information within 30 days, the parent/guardian may appeal such denial or failure to the Board of Directors. The Board of Directors must place the appeal on the agenda for its next public meeting. If it is too late for such an appeal to appear on the next meeting's agenda, the appeal must be included on the agenda for the subsequent meeting.

Last amended 06/23/2023

A parent aggrieved by the decision of the Board of Directors may appeal to the State Board of Education, as provided in O.C.G.A. § 20-2-1160(b).

SUICIDE PREVENTION POLICY

Protecting the health and well-being of all scholars is of utmost importance to Ethos Classical. The Governing Board has adopted a suicide prevention policy which will help to protect all scholars through the following steps:

- Scholars will learn about recognizing and responding to warning signs of suicide in friends, using coping skills, support systems, and seeking help for themselves and friends. This curricular content will occur in all health classes throughout the school year, not just in response to a suicide, and the encouragement of help-seeking behavior will be promoted at all levels of the school leadership and stakeholders
- The School Counselor is designated as the suicide prevention coordinator to serve as a point of contact for scholars in crisis and to refer scholars to appropriate resources
- When a scholar is identified as being at-risk, a risk assessment will be completed by a trained school staff member who will work with the scholar and help connect the scholar to appropriate local resources
- Scholars will have access to national resources that they can contact for additional support, such as:
 - National Suicide Prevention Lifeline: 1-800-273-TALK (8255) suicidepreventionlifeline.org
 - The Trevor Lifeline: 1-866-488-7386 thetrevorproject.org/get-help-now
 - Trevor Lifeline Text/Chat Services, available 24/7 Text "TREVOR" to 678-678
 - Crisis Text Line: Text TALK to 741-741 crisistextline.org

All school personnel and scholars will be expected to help create a school culture of respect and support, in which scholars feel comfortable seeking help for themselves or friends. Scholars are encouraged to tell any staff member if they or a friend are feeling suicidal, or are in need of help. While confidentiality and privacy are important, scholars should know that when there is risk of suicide, safety comes first.

Additionally, the Head of School, or his/her designee, will provide training to all staff and shall use resources from the Georgia Department of Education which include a list of approved training materials that fulfill the requirements of O.C.G.A. § 20-2-779.1. The designated person delivering the training may include any other training materials currently being used by the school if such training materials meet the criteria established by the GaDOE.

Approved materials shall include training on how to identify appropriate mental health services, both within the school and also within the larger community, and when and how to refer youth and their families to those services. Approved materials may include programs that can be completed through self-review of suitable suicide prevention materials.

In accordance with state law, no person shall have a cause of action for any loss or damage caused by any act or omission resulting from the implementation of this policy or its implementing procedures or resulting from any training, or lack thereof, required by state law

Last amended 06/23/2023

or this policy. The training, or lack thereof, required by the provisions of state law shall not be construed to impose any specific duty of care. Neither the training nor the procedures are designed to impose ministerial duties but to provide a framework in which educators can exercise their professional judgment in the best interest of students.

ACCEPTABLE USE POLICY

Computers are used to support learning and enhance instruction. Students will use computers frequently in their regular classrooms. However, computer privileges depend on a student using the technology in a responsible, efficient, ethical, and legal manner. A student may not:

- Use the Internet for any illegal purpose;
- Use any social networking site;
- Use profane, obscene, impolite or abusive language;
- Change computer files that do not belong to the user;
- Violate someone else's privacy;
- Share his/her password with anyone except adults at the school.

Unacceptable use of the Internet will result in immediate revocation of access privileges.

Access to the Internet for Ethos Classical is provided for the sole purpose of academic instruction. The use of the Internet must be in support of education and consistent with the educational objectives of Ethos Classical. Transmission of any material in violation of any U.S. or state law or regulation is prohibited. This includes, but is not limited to, copyrighted material, threatening, abusive, or obscene material, or material protected by trade secrets. Illegal activities and privacy and safety violations of the Children's Online Privacy Protection Act (COPPA) and the Children's Internet Protection Act (CIPA) are strictly prohibited.

POLICIES AND PROCEDURES FOR SERVING STUDENTS WITH DISABILITIES

SERVING STUDENTS WITH DISABILITIES

For scholars who have 504 Plans or Individualized Education Programs (IEPs), the Student and Family Services Department will provide the necessary support to meet scholars' needs. Services and supports provided by Ethos Classical staff may include but is not limited to:

- In-class support from special educators (push-in) for English Language Arts and Math courses
- Small group support from special educators (pull-out) for English Language Arts and Math courses
- Instructional and testing accommodations
- Behavioral Support

Certain related services mandated by an IEP may require a referral to an external agency by Ethos Classical for either on-site or off-site services. The Student and Family Services Department will follow-up and monitor any off-site services that are provided for scholars. Services for which Ethos Classical Charter School will work with an external provider may include:

- Occupational Therapy
- Speech and language Therapy
- Physical Therapy and/or accommodations
- School health/school nurse
- Psychological Services
- Transportation Services
- Counseling Services
- Assistive Technology

Parents of scholars who suspect their child may have a disability should contact their child's teacher or the Director of Scholar and Family Supports. All referrals are considered confidential, and services are provided at no cost. The parent, legal guardian, or surrogate parent retains the right to refuse services and are provided other procedural safeguards under federal and state law.

Ethos Classical will continue to provide the necessary specialized services as determined by the IEP or 504 team during all virtual and distance learning initiatives. Failure to provide these services is in violation of IDEA and Section 504 of the Rehabilitation Act.

PROCEDURAL SAFEGUARDS FOR STUDENTS WITH DISABILITIES

Federal and state law provide certain procedural rights and protections relating to discipline of scholars who have been identified under such laws as having special needs based upon a

Last amended 06/23/2023

disability. A copy of the Notice of Procedural Safeguards can be found in the Director of Scholar and Family Supports' office.

Ethos Classical campus officials may suspend scholars with disabilities and cease educational services for a total of up to 10 consecutive or 10 cumulative school days in one school year without providing special education procedural safeguards. Detentions do not count toward the 10-day limit, so long as the student is afforded the opportunity to continue to appropriately participate in the general curriculum and continues to receive the services specified in his or her IEP. The Head of School has discretionary flexibility in regards to the amount of days of suspensions given to each scholar with disability. Scholars with disabilities can be suspended in excess of 10 school days in certain circumstances.

When campus officials suspend beyond the 10th day or anticipate a referral for expulsion, the following apply:

- Provide written notice to the parent/guardian or surrogate parent of the intervention or consequence being considered and the date of the 504 committee or Individualized Education Program (IEP) team meeting, which must be held within 10 days of the date of the decision to discipline the scholar.
- The Section 504 committee or IEP Team should be convened for determining if the behavior of a scholar receiving special education services or who has been identified as a scholar with a disability under the Section 504 of the Rehabilitation Act or Individuals with Disabilities Act (IDEA), is a manifestation of his/her disability.

The 504 committee or IEP team must:

- Determine whether the misconduct is related to the scholar's disability by reviewing evaluation and diagnostic results, information from the parent/guardian, observations of the scholar, and the scholar's 504 plan or IEP and/or BIP. The behavior is considered a manifestation of the scholar's disability if:
 - The team finds that the scholar's behavior was caused by or had a direct and substantial relationship to the scholar's disability, or
 - That the behavior was a direct result of the School's failure to implement the 504 Plan, IEP, and/or BIP..
- Determine the appropriateness of an interim alternative educational setting, and, as indicated, include in the 504 plan or IEP those services and modifications that will enable the scholar to continue to participate in the general curriculum and address the behavior so it will not recur.

Last amended 06/23/2023

Special education scholars with disabilities may be referred for an expulsion hearing if they are in violation of any Zero Tolerance offense. All scholars will be ensured a due process expulsion hearing.

DISCIPLINARY PROCESS FOR SPECIAL EDUCATION STUDENTS

Students who are served under IDEA (Special Education) or under Section 504 of the Rehabilitation Act of 1973 are entitled to certain additional rights in the area of discipline based upon their qualification for services under these federal laws. Students for whom an IEP includes specific disciplinary guidelines will be disciplined in accordance with those guidelines. If the disciplinary guidelines appear not to be effective or if there is a concern for the health or safety of the scholar or others, the matter will be immediately referred to the Special Education Team.

Students for whom an IEP does not include specific disciplinary guidelines may be disciplined in accordance with standard school policy relating to each infraction if it is determined by the Special Education Team that the behavior is not a manifestation of his or her IEP.

Parents may request a hearing to challenge the manifestation determination and the child shall remain in his or her current educational placement while the hearing is pending. A scholar suspected of having a disability shall be referred to the Special Education Team for evaluation.

GRIEVANCE PROCEDURE

When a stakeholder has a grievance with any element of Ethos Classical, including Special Education and 504 programming, every effort will be expended to resolve the issue without resorting to the official grievance process. If a resolution has not been reached, the stakeholder can initiate the formal grievance process:

1. State their complaint in writing to the Head of School. The Head of School will receive complaints both via physical letter and via email to his or her disclosed Ethos Classical official email address.
2. Within five (5) days of receiving an official complaint, the Head of School will investigate, take appropriate action, and inform the complaining stakeholder of that action.
3. If that action does not satisfy the stakeholder, then they will be invited to submit their complaint to the Chair of the Board of Directors within ten (10) days of receiving the Head of School's decision.
4. Then, within ten (10) days of receiving the complaint, the Chair of the Board will convene a committee of the Board which will investigate and render a decision.
5. The decision of the committee in ordinary circumstances will be final. In the event that the committee is unable to reach a decision and/or the grievance is of such a nature that it could interfere with the normal operations of Ethos Classical, then the committee

Last amended 06/23/2023

will bring the complaint to the whole Board for consideration as soon as is practicable after the committee decides it cannot make a final decision.

6. The grievant shall have the right to appeal any decision by the Governing Boards to the State Board of Education pursuant to O.C.G.A. § 20-2-1160.

Ensure confidentiality of special education records. Ethos Classical complies with all aspects of the Family Education Rights and Privacy Act (FERPA) to ensure that parents have access to their children's educational records and to protect the privacy rights of parents and children by limiting access to these records without parental consent. We comply with special education laws that require teachers, related services providers, and others who work with the child to have access to the child's IEP to understand the scholar's modifications and accommodations in place to meet the scholar's needs.

POLICY FOR SERVING ENGLISH LANGUAGE LEARNERS

Ethos Classical Charter School provides English Language Learners (ELs) a program of English language instruction, including content-based language instruction, and supports cultural adjustment so that EL scholars can become fully proficient in English and meet the same challenging academic content and scholar achievement standards that other scholars are expected to meet.

A certified ESOL teacher who assesses the English language proficiency of scholars will respond to questions related to the program posed by parents and the community. The ESOL teacher is also responsible for implementing the curriculum, monitoring, staff development, assessments, and parent outreach as they relate to English Language Learners. The ESOL teacher offers instruction to scholars at six levels of English language proficiency.

Students who are eligible for the ESOL program are assigned an English language proficiency Level 1-5 based on results of the Wida Assessment Proficiency Test (WAPT) at the time of registration. EL scholars are exited from the ESOL program when they reach Level 5 on the ACCESS placement test. Students are monitored for two years after exiting the ESOL program. Parents are notified if the child qualifies for ESOL services or if the child exits the program. Ethos Classical follows the eligibility criteria and exit requirements found in SBOE Rule 160-4-5-.02.

The program for English language learners is designed to improve the education of English language learners by assisting them in learning English and in meeting state content standards. Curriculum follows grade level standards of learning and WIDA standards. The state of Georgia joined the World Class Instructional Design and Assessment (WIDA) Consortium and adopted the following English language proficiency standards for implementation:

- Standard 1: English language learners communicate for social and instructional purposes.
- Standard 2: English language learners communicate for academic success in the content area of Language Arts.
- Standard 3: English language learners communicate for academic success in the content area of Mathematics.
- Standard 4: English language learners communicate for academic success in the content area of Science.
- Standard 5: English language learners communicate for academic success in the content area of Social Studies

Instruction is adapted to scholar's English proficiency level to assist scholars in meeting the same state academic content and achievement standards as all scholars are expected to meet.

A rigorous interview process, including resume screening, phone interview, demonstration lesson with feedback, re-teaching based upon feedback, and in-person interview will be utilized to ensure the quality of candidates prior to offering a position. The hiring process is designed to ensure we are inviting candidates to join our organization who match the following criteria:

- *Alignment* – believes in school mission and our core values; holds scholars to highest expectations out of respect for scholar potential
- *Commitment to Community*—has a deep and authentic understanding of the community we serve
- *Coachability* - takes and implements feedback
- *Team Orientation*– works well with others;; mindset that team trumps individual
- *Strong Teaching* – has strong behavior management; delivers rigorous instruction

In addition, we meet all federal requirements of “highly qualified” for each position; verify transcripts, which includes at minimum a bachelor’s degree, GACE test scores, and other data related to “highly qualified” status; complete a criminal background check before finalizing employment contracts; and maintain files with up-to date documentation for each teacher.

NEPOTISM POLICY

Ethos Classical welcomes the opportunity to hire and retain qualified employees who are related to one another by blood or marriage. However, since such relationships sometimes can create problems in the workplace, including suspicions of favoritism if the related employees are in a supervisor-subordinate relationship, it is the policy of Ethos Classical that:

- Board members and their immediate family members (as defined below) will be excluded from consideration for employment by the organization.
- Any employee of Ethos Classical who has or acquires a familial relationship (as defined below) with another employee shall not have any direct or indirect administrative or operational authority over the other person. This prohibition means not only that a person cannot supervise a family

Last amended 06/23/2023

member but also that the family member cannot be in that person's line of management.

- An employee of Ethos Classical cannot use his/her authority or position with Ethos Classical to benefit or to disadvantage another employee in a familial relationship. Although all such potential misuses of authority cannot be listed here, examples include an employee signing an evaluation for a family member or signing/approving a check payable to a family member.
- Employees are required to notify the Head of School of (a) any existing familial relationships; (b) any familial relationships that are created among employees (for example, by the marriage of two employees); and (c) the potential employment by Ethos of a family member.
- Ethos Classical will refuse to hire a job applicant who is in a familial relationship with a current employee if the applicant would be in a supervisory or subordinate position to the existing employee. Ethos Classical employees who marry one another during their employment will be allowed to remain with the school unless they are in a superior-subordinate relationship and there is no open position to which one of them may be moved.

“Familial relationship” within the meaning of this policy means two employees (or an employee and a job applicant) in the relationship of husband, wife, father, mother, brother, sister, son, daughter, uncle, aunt, nephew, niece, grandfather, grandmother, grandson or granddaughter, or any of those relationships arising as a result of marriage (for example, brother-in-law).

FERPA NOTICE

The Family Educational Rights and Privacy Act (FERPA) affords parents and scholars over eighteen years of age certain rights with respect to scholar educational records. Those rights are:

1. The right to inspect and review the scholar's educational records within forty-five (45) days of the date Ethos Classical receives a request for access.

Parents should submit to the school administrator (or appropriate school official) a written request that identifies the record (s) they wish to inspect. The administrator or designee will arrange a records inspection for the parent or eligible scholar.

2. The right to request the amendment of the scholar's educational records that the parent or eligible scholar believe are inaccurate or misleading.

Parents may ask Ethos Classical to amend a record that they believe is inaccurate or misleading. They should write to the school administrator, clearly identify the part of the record that they want changed, and specify why it is inaccurate or misleading.

Should Ethos Classical decide not to amend the record as requested by the parent or eligible scholar, we will notify the parent or eligible scholar of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures is available to the parent or eligible scholar when notified of the right to a hearing.

3. The right to provide written consent before Ethos Classical discloses personally identifiable information ("PII") contained in the scholar's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official includes a person employed by Ethos Classical as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the board. A school official also may include a volunteer, contractor, or consultant who, while not employed by the school, performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, collection agency, medical consultant, or therapist; a parent or scholar volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, scholar, or other volunteer assisting another school official in performing his or

Last amended 06/23/2023

her tasks. A school official typically has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. (34 C.F.R. § 99.31(a)(1)).

Further, upon request, Ethos Classical discloses education records without consent to officials of another school or school district in which a scholar seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the scholar's enrollment or transfer. (34 C.F.R. § 99.31(a)(2)).

FERPA also permits disclosure of PII from scholars' education records without consent:

To authorized representatives of the U.S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as the State educational agency in the parent or eligible scholar's State (SEA). Disclosures under this provision may be made, subject to the requirements of 34 C.F.R. § 99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf (§§ 99.31(a)(3) and 99.35).

In connection with financial aid for which the scholar has applied or which the scholar has received, if the information is necessary to determine eligibility for the aid, the amount of the aid, the conditions of the aid, or to enforce the terms and conditions of the aid (§ 99.31(a)(4)).

To State and local officials or authorities to whom information is specifically allowed to be reported or disclosed by a State statute that concerns the juvenile justice system and the system's ability to effectively serve, prior to adjudication, the scholar whose records were released, subject to § 99.38 (§ 99.31(a)(5)).

To organizations conducting studies for, or on behalf of, the school, in order to: (a) develop, validate, or administer predictive tests; (b) administer scholar aid programs; or (c) improve instruction (§ 99.31(a)(6)).

- To accrediting organizations carrying out their accrediting functions (§ 99.31(a)(7)).
- To parents of an eligible scholar if the scholar is a dependent for IRS tax purposes (§ 99.31(a)(8)).
- To comply with a judicial order or lawfully issued subpoena (§ 99.31(a)(9)).
- To appropriate officials in connection with a health or safety emergency, subject to § 99.36 (§ 99.31(a)(10)).
- Information the school has designated as "directory information" under § 99.37 (§ 99.31(a)(11)).

Last amended 06/23/2023

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Ethos Classical to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Family Policy Compliance Office

U.S. Department of Education 400 Maryland Avenue, SW Washington, DC 20202-8520

5. Ethos Classical may disclose appropriately designated "directory information" without written consent, unless you have advised the School to the contrary in accordance with School procedures. Disclosures of "directory information" relating to individual students will be made under limited circumstances without the written consent of the parent, legal guardian or eligible student. These circumstances include when directory information is posted in schools such as on displayed student work; when printed in school or district publications such as graduation programs, yearbooks or school playbills; in district communications for student recognition or information; when disclosed to the United States military; law enforcement entities; welfare agencies; colleges, universities and other postsecondary institutions; studentship-granting organizations; and other entities as approved by the Head of School or his/her designee.

Directory information is information that is generally not considered harmful or an invasion of privacy if released. The School has designated the following information as "Directory Information": student or parent/guardian name(s); student or parent/guardian address(es); student or parent/guardian telephone listing(s); email address for student and/or parent/guardian; photograph or image of the student; student's date and place of birth; student grade level; student participation in officially recognized clubs and athletic activities; student weight and height, if the student participates in an athletic activity; dates of attendance at Ethos Classical; enrollment status; most recent educational agency or institution attended; and degrees, honors, and awards received.

The School records and maintains audio recordings and video or photographic footage and audio recordings of students on school property and at school events in locations including, but not limited to, parking lots, school buses, lunchrooms, classrooms and hallways. REQUIRED IMMUNIZATIONS

State law requires that all children in elementary, middle, and high school must have an updated Georgia Certificate of Immunization.

Immunizations are required for measles, rubella, tetanus, diphtheria, polio, mumps, whooping cough and hepatitis B. The Georgia DHR Form 3231 and Certificate of Immunization must be used for students in grades K-12. A local health department computer-generated form is acceptable. Georgia law allows for two types of exemptions from the immunization requirements: medical and religious. Each child must have one of two items on file – either a valid Georgia Immunization Certificate (Form 3231) indicating a medical exemption or a signed, notarized statement, which is called an affidavit of religious exemption.

DIABETES MEDICAL MANAGEMENT PLAN

As part of Ethos Classical's student health services program and in accordance with O.C.G.A. § 20-2-779, the Head of School is responsible for designating at least two employees to serve as trained diabetes personnel when a student with diabetes is enrolled in the school, when appropriate.

The Head of School shall develop rules and procedures for the implementation of any diabetes medical management plan submitted by any parent/guardian of a student with diabetes who seeks care while at school or school-sponsored activities.

A student who has been diagnosed with diabetes must have a Diabetes Medical Management Plan (DMMP), signed by a parent/guardian and physician, on file with the school to receive or administer the related medication or treatment while at school or school-sponsored activities. The DMMP must contain all items covered in the plan, including how, when, and under what circumstances the student should receive blood glucose monitoring and injections of insulin as well as steps to take in case of an emergency.

Upon written request by a parent/guardian and if authorized by a student's DMMP, a student with diabetes shall be permitted to perform blood glucose checks, administer insulin through the insulin delivery system the student uses, treat hypoglycemia and hyperglycemia, and otherwise attend to the monitoring and treatment of his or her diabetes in the classroom, in any area of the school or school grounds, and at any school related activity, and he or she shall be permitted to possess on his or her person at all times all necessary supplies and equipment to perform such monitoring and treatment functions

COMMUNICABLE DISEASES

If there is reasonable cause to believe that an individual has become infected with a communicable disease, the determination of the individual's condition shall be based on reasonable judgment, after consultation with the school nurse and based on the following criteria: the nature of the risk, i.e, how the disease is transmitted; the duration of the risk, i.e., how long the carrier is infectious; the severity of the risk, i.e., the degree of potential harm to third parties; and the probability that the disease will be transmitted and will cause varying degrees of harm. If after consideration of these criteria it is determined that the individual does not present a significant risk of contagion, the individual may remain at the school. If it is determined that the individual does present a significant risk of contagion, the individual should be sent home and the below reporting procedure shall be followed.

Reporting Procedure:

A confirmed communicable disease case should be reported to the Head of School or School Nurse.

The School Nurse will complete the Communicable Disease Incident Form and fax it to the Fulton County Health District, which will provide guidance for communicable disease cases that require management beyond the local school level.

Ethos Classical will follow the guidance provided by the Fulton County Health Department for areas such as mass notification, school closure, prophylactic treatment, etc., as well as all communicable disease cases that require management beyond the local school level.

ENROLLMENT/CLASS PLACEMENT

Ethos Classical is a charter school that is provided under O.C.G.A. Section 20-2-2065 a waiver of certain requirements of Title 20 of the Official Code of Georgia, including but not limited to the requirements of

O.C.G.A. Sections 20-2-282 through 285 regarding the retention and promotion of scholars. Consistent with the flexibility provided to Ethos Classical under O.C.G.A. Section 20-2-2065, Ethos Classical desires to establish an appropriate policy regarding the procedures for promotion, placement and retention of its scholars.

The placement or promotion of a scholar at Ethos Classical into a grade, class, or program shall be based on an assessment of the academic achievement of the scholar and a determination of the education setting in which the scholar is most likely to receive the instruction and other services needed in order to succeed and progress to the next higher level of academic achievement, in a manner consistent with the policy set forth below.

DEFINITIONS

Accelerated Instruction – challenging instructional activities that are intensely focused on scholar academic deficiencies in reading and mathematics. This accelerated instruction is designed to enable a scholar who has not achieved grade level, as defined by the Accountability Division of the Georgia Department of Education, to meet grade-level standards in a compacted period of time.

Additional Instruction – academic instruction, beyond regularly scheduled academic classes, that is designed to bring scholars not performing on grade level, as defined by the Accountability Division of the Georgia Department of Education, to grade level performance. It may include more instructional time allocated during the school day, instruction before or after the school day, and/or summer or other inter- session instruction.

Differentiated Instruction – instructional strategies designed to meet individual scholar learning needs. Grade Level Achievement – standard of performance, as defined by the Accountability Division of the Georgia

Department of Education, on the state adopted assessment(s).

Placement – the assignment of a scholar to a specific grade level based on the determination that such placement will most likely provide the scholar with instruction and other services needed to succeed and progress to the next higher level of academic achievement.

Last amended 06/23/2023

Promotion – the assignment of a scholar to a higher grade level based on the scholar’s achievement of established criteria in the current grade.

Retention – the re-assignment of a scholar to the current grade level during the next school year.

State Adopted Assessment – an assessment in any subject required by the state of Georgia to be administered to scholars.

COMPLIANCE WITH FEDERAL AND OTHER APPLICABLE LAWS AND RULES

Notwithstanding anything to the contrary contained in policy, in compliance with the requirements of the Individuals with Disabilities Education Act (“IDEA”), and its implementing rules and regulations, all decisions regarding the provision of a free, appropriate, public education to scholars served under IDEA, including but not limited to decisions regarding placement, promotion and retention shall be made by the child’s IEP team in accordance with the provisions of IDEA, and the decision of the IEP team shall be final. Also notwithstanding anything to the contrary contained in policy, in the event a child is served under Section 504 of the Rehabilitation Act of 1973 (“Section 504”) and its implementing rules and regulations, if a parent disagrees with a promotion, placement or retention decision, the child’s Section 504 team shall convene to determine whether the District will be providing a free appropriate public education to the child as required by Section 504 if the promotion, placement or retention decision is implemented, and the Section 504 team may make such modifications to the promotion, placement or retention decision to the extent the Section 504 team determines that such changes to the promotion, placement or retention of the child are required in order to provide a free appropriate public education to the child pursuant to the requirements of Section 504. For purposes of this policy, the Section 504 team shall be the Placement Review Team for scholars served under Section 504, all decisions made by the Section 504 team shall be made in a manner consistent with Section 504, and the decision of the Section 504 team shall be final.

Ethos Classical chooses to exercise the flexibility given to it under O.C.G.A. Section 20-2-2065 with respect to promotion, retention and placement of its scholars to the greatest extent permitted by law and in accordance with the terms of this policy; however, to the extent that any laws, rules or regulations cannot be waived or are otherwise required by law to apply to Ethos Classical notwithstanding the flexibility give under O.C.G.A. Section 20-2-2065 or are applicable under Ethos Classical’s Charter, Bylaws or other governing documents (collectively “Non-Waivable Laws and Rules”), all such Non-Waivable Laws and Rules shall be fully complied with by Ethos Classical, notwithstanding any other terms of this policy to the contrary.
